

MECHATRONICS 2016

7TH IFAC SYMPOSIUM ON MECHATRONIC SYSTEMS &
15TH MECHATRONICS FORUM INTERNATIONAL CONFERENCE

Loughborough University, UK
Monday 5th – Thursday 8th September 2016

Loughborough University in the UK is delighted to host the **7th IFAC Symposium on Mechatronic Systems** to be held jointly with the **15th Mechatronics Forum International conference**. We look forward to welcoming Mechatronics researchers and practitioners from around the world to our beautiful campus situated in the heart of the English countryside.

CALL FOR PAPERS

Key Date

Paper submission deadline:
29th January 2016

Programme & Submissions

The programme consists of: plenary talks; traditional themed tracks of contributed papers; and poster sessions that will include short 5 minute oral presentations. In addition, a pre-conference 'Postgraduate Workshop' will be offered to new researchers, giving them practical and theoretical insight beyond their research area.

All accepted papers will be published in the proceedings at IFAC Papers Online.

Topics

To include:

- Actuators and sensors
- Robotics and machine vision
- Vibration and noise control
- Motion Control
- Automotive Systems

& more (see our website)

Full Conference Package

To include:

- Conference registration
- 3 nights' en-suite campus accommodation
- All meals
- Social events
- Early bird rate available

& more (see our website)

Plenary Speakers

- Prof Jun Ho Oh
Director of Humanoid Robot Research Center
- Erik Nafstad
Senior Application Engineer, MTS Systems Corporation
- Dr Giovanni Cherubini
IBM Zurich Research Laboratory, Switzerland

Copyright conditions:

All publication material submitted for presentation at an IFAC-sponsored meeting (Congress, Symposium, Conference, Workshop) must be original and hence cannot be already published, nor can it be under review elsewhere. The authors take responsibility for the material that has been submitted. IFAC-sponsored conferences will abide by the highest standard of ethical behavior in the review process as explained on the Elsevier webpage (<http://www.elsevier.com/journal-authors/author-rights-and-responsibilities>), but see also the Vancouver protocol, and the authors will abide by the IFAC publication ethics guidelines (<http://www.ifac-control.org/events/organizers-guide/PublicationEthicsGuidelines.pdf#view>).

Accepted papers that have been presented at an IFAC meeting will be published in the proceedings of the event using the open-access IFAC-PapersOnLine series hosted on ScienceDirect (<http://www.sciencedirect.com>). To this end, the author(s) must confer the copyright to IFAC when they submit the final version of the paper through the paper submission process. The author(s) retain the right to use a copy of the paper for personal use, internal institutional use at the author(s)' institution, or scholarly posting at an open web site operated by the author(s) or their institution, limited to noncommercial use. Any other use of the paper requires approval by IFAC.
